

Kids' Night In

Babysitting Services

We know you love your kids! We know you have a blast when you're with them. But guess what... Mom and Dad deserve a day off too!

How do these sound?

- ☺ A day at the beach.
- ☺ A grown-up night of "consumption." ☺
- ☺ A romantic dinner.
- ☺ A sunset sail.
- ☺ A day trip to the BVIs.

You need the right fit for you and your child's needs! We at *Kids' Night In Babysitting Services* are that match!!

With over 25 years of pediatric physical therapy experience, working in the neonatal intensive care unit, volunteering in the school system and charitable causes for over 20 years – and of course, raising two wonderful kids – we are a distinguished fit for both safety (for the parents) and fun (for the kiddos!). The kids might even learn a thing or two!

Rate: \$20/hour, plus \$5 per additional child per hour.

Services provided at your villa, condo, etc.
